

Adjunct Nursing Faculty – Medical-Surgical Nursing

The Accelerated Bachelor of Science in Nursing (ABS/N) program at Baldwin Wallace University invites applications for part-time adjunct faculty members from nurses with significant teaching experience at either the collegiate level or in a hospital setting.

Responsibilities:

- Provide direct supervision of students in the clinical setting
- Prepare students to think critically, communicate accurately, and perform indicated therapeutic nursing interventions to assigned patient care situations
- Collaborate with lead course faculty in structuring clinical assignments to assist students in the application of theoretical learning to clinical patient situations
- Evaluate student performance and provide feedback to enhance student learning.
- Participate in nursing faculty meetings and department/university events.

Required (Minimum) Qualifications:

- At least two years of experience as a registered nurse
- Evidence of clinical competency in medical-surgical nursing
- An unencumbered license as a registered nurse in the state of Ohio.
- Clean background check and drug screen (to be done after interview)
- Earned nursing degree:
 - Master of Science in Nursing (MSN) -- required if the basic nursing degree is not a Bachelor of Science in Nursing (BSN).
 - Applicants with a BSN must be currently enrolled in a MSN program. Those with a BSN and a master's degree in a non-nursing field will be considered.

Preferred Qualifications:

- Earned MSN degree with a specialization in Nursing Education or coursework in instruction, curriculum development and/or student evaluation.
- Earned DNP degree
- Experience with nursing research and/or evaluation
