PRACTITIONER FACULTY

Term Assistant Professor

Department of Nursing

Accelerated Bachelor of Science in Nursing Program

The Department of Nursing at Baldwin Wallace University invites applications from nurses with significant teaching experience at the collegiate level or in a hospital setting, for a full-time, twelve-month, renewable term, Assistant Professor faculty position in Nursing. The responsibilities of this position include teaching Medical Surgical Nursing didactically, in the laboratory, and in clinical settings. Experience with laboratory simulation education is preferred. The search will remain open until the position is filled with a qualified individual.

Responsibilities:

- Teach medical surgical nursing concepts and exemplars in the didactic setting.
- Prepare students to think critically, communicate accurately, and perform indicated therapeutic nursing interventions in the laboratory and clinical setting.
- Implement teaching and learning strategies that support student application of theoretical learning to laboratory and clinical patient situations.
- Create a supportive environment that fosters student learning in all settings.
- Evaluate student performance and provide feedback to enhance student learning.
- Participate in nursing faculty meetings and department/university events.

Required (Minimum) Qualifications:

- At least two years of experience as a registered nurse
- Evidence of clinical competency in medical-surgical nursing
- Experience teaching nursing students or nurses in any setting
- An unencumbered license as a registered nurse in the state of Ohio.
- Clean background check and drug screen (to be done after interview)
- Earned Master of Science in Nursing (MSN)
- Must pass a background check and all required university compliance training
Preferred Qualifications:

- Earned MSN degree with a specialization in Nursing Education or coursework in instruction, curriculum development and/or student evaluation.
- Earned DNP or PhD degree
- Experience using laboratory simulation is preferred

Baldwin Wallace University is a private liberal arts college located 14 miles southwest of Cleveland. Total enrollment is approximately 4,400 with 3,200 full-time undergraduate day students. Baldwin Wallace’s close proximity to the cultural benefits of Cleveland provides countless educational and entertainment opportunities for student and faculty members.

The Department of Nursing offers an Accelerated Bachelor of Science in Nursing (ABSN) program. The ABSN program is fully-accredited by CCNE and approved by the Ohio Board of Nursing. The Department of Nursing was established in 2012; it has expanded the program and enrolls approximately 50 students each year.

In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, the University actively encourages applications from individuals who desire an environment celebrating diversity.

Review of applications begins immediately and is on-going. To apply, please submit a letter of application, curriculum vitae, statement of teaching philosophy, and the names and contact information for three current professional references in one (1) Word document or one (1) PDF to the link on BW’s Employment and Careers’ web page which may be accessed at https://www.bw.edu/employment. For questions about the position, please contact the Department of Nursing administrative coordinator at: 440-826-8079.

Baldwin Wallace University is an EEO/AA employer and educator. At BW, we support and encourage diversity in a variety of forms. We value and appreciate inclusive excellence in the classroom, within extracurricular activities, and as we engage our community partners.
